Celebrating Black History this February

We celebrated Black History Month with a variety of school and adult program projects. Holy Childhood's Day Habilitation Without Walls group went on a mural scavenger hunt around Rochester, learning about our city's history along the way. The group is pictured here at the Martin Luther King, Jr. Memorial Park in downtown Rochester.

Physical Education Teacher, Mrs. Walsh looked a bit different for the special occasion... the looks she received from the students was priceless!
